Expression Home XP-422

The Expression Home XP-422 is part of Epson's smallest ever range of all-in-one home inkjets. This printer, scanner and copier offers cost-effective printing for home users looking for Wi-Fi connectivity and mobile printing. Individual inks mean that only the colour used will need to be replaced, saving money.

Efficient & affordable

Epson's Claria Home Ink is ideal for affordable and reliable printing, producing crisp, clear text documents and glossy, lab-quality photos. With individual ink cartridges you only have to replace the colour used, saving you money.

Easy set-up

The automatic Wi-Fi set-up[1] makes configuring laptops and computers to print and scan wirelessly extremely easy. You don't need to know your network settings as the XP-422 automatically finds the relevant connection settings in order to configure itself. For added versatility, Wi-Fi Direct®allows easy printing from compatible wireless devices without the need for a network
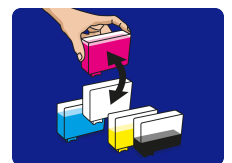

Mobile printing

The XP-422 comes with Epson Connect[2] which consists of Epson iPrint[2]– for easy wireless printing from smartphones and tablets; Epson Creative Print[2] – print photos directly from Facebook and Epson Email print[2] – print from anywhere in the world by emailing photos and documents directly to the printer. AirPrint[3] and Google Cloud Print are also supported.

PC-free operation

This all-in-one comes with a 6.4cm LCD screen with touch panel and a memory card slot for easy-to-use PC-free photo printing and copying.

KEY FEATURES

- **Small-in-one**
  Save space, save money, save time
