The ultimate printer for a more connected world

State-of-the-art technology meets versatility with the KODAK HERO 9.1 All-in-One Printer. It's advanced. It's efficient. It's versatile. It's everything you ever wanted a home printer to be.

- Lowest total ink replacement cost¹
- Print on the go from your smartphone, computer, or tablet using GOOGLE Cloud Print enabled apps²
- Send emails and attachments to your printer from anywhere, using any email account, with KODAK Email Print Service²
- Prints dry instantly, are smudge-resistant and last a lifetime³
- Smart Sensor technology predicts supplies and time needed to complete a job, and automatically identifies paper, size, and amount
- 30-page automatic document feeder for scanning, copying, and faxing⁴
- Less loading and unloading with a separate input tray for photos only
- Print your own amazing 3D pictures with KODAK Home Centre Software

ADVANCED TECHNOLOGY + PREMIUM QUALITY + AFFORDABLE INK

Kodak

1) As compared to leading consumer inkjet printers' total ink load replacement costs using manufacturers' recommended standard ink cartridges available in single quantity pricing (i.e., no multi-packs, high capacity, combo packs, value packs or special promotions); excludes printers that use only one cartridge. 2) GOOGLE Cloud Print account required. Printer and device must be connected to the Internet. Subject to service availability. Visit www.kodak.com/go/kodakemailprint for details. 3) Based on Wilhelm Imaging Research (WIR) and Kodak internal testing on KODAK Photo and Ultimate Plain Papers. Under all common consumer display and storage environments. Smudge resistant using KODAK Inkjet Photo Papers. 4) Supports 8.5 x 11" (US letter) and 210 x 297 mm (A4). 5) For sending faxes only. May require software update.
