

Kodak ESP-7250

All-in-One Printer

Wirelessly Print, plus Copy, Scan

More connectivity. More value.

Imagine owning a printer that seamlessly connects to your favourite Smartphone, and saves you money on ink every time you print. The KODAK ESP 7250 All-in-One Printer can receive pictures from your iPhone and iPod Touch,³ or photos and documents from your Wi-Fi enabled BLACKBERRY® Smartphone¹ model, and print them directly in seconds - helping you keep up, without ever slowing down. And, with the lowest total ink replacement cost in the industry,² you'll get high-quality photos and documents at a fraction of the price. With its amazingly simple Wi-Fi set-up and intuitive control panel, you're ready to share your life at a moment's notice. Bring affordable printing into your daily routine with the KODAK ESP 7250 All-in-One Printer.

- Extremely simple Wi-Fi set-up - effortlessly connect to wireless networks with the latest Wi-Fi 802.11n technology
- The world's first direct Wi-Fi printing solution for BLACKBERRY Smartphones¹
- Print photos in multiple sizes from your iPhone and iPod touch with the KODAK Pic Flick App³
- Intuitive control panel and 6.1 cm (2.4") colour display give you quick and easy access to tasks you use the most
- Intelligent paper sensor automatically detects size and amount
- Two paper trays - includes an auto-engaging photo tray that holds three sizes and a general purpose document tray
- Built-in automatic double-sided printing⁴ saves time and money
- Print brilliant colour documents and KODAK Lab-Quality Photos that last a lifetime,⁵ in just 29 seconds⁶
- Scan multiple pictures simultaneously up to 2400 dpi - software creates separate files automatically
- Low-cost, high-quality pigment-based inks and porous papers that dry instantly and are water-and fade-resistant⁷

Print KODAK Lab-Quality Photos and documents up to 210 x 297 mm (A4) in 29 seconds⁶

Copy photos and documents up to 210 x 297 mm (A4)

Scan multiple photos at once and get separate files automatically

Intelligent paper sensor detects paper sizes and amounts in trays

Preview and print photos without a computer

Built-in double-sided printing saves time and paper⁴

Print directly from your iPhone or BLACKBERRY Smartphone¹

Set-up easily and connect securely through wireless or Ethernet

¹ May not be available on all BLACKBERRY Smartphone models. ² As compared to leading consumer inkjet printers total ink load replacement costs using manufacturers recommended ink cartridges; excludes printers that use only one cartridge. Based on independent third party cartridge pricing survey data obtained Sept 2009. ³ Compatible with iPhone (with OS 2.2 or later) and iPod touch (Second generation). ⁴ Supports 210 x 297 mm (A4) and 8.5 x 11" (US letter). ⁵ Under all common consumer display and storage environments. Based on testing by Wilhelm Imaging Research (WIR) on KODAK Papers. ⁶ Based on fastest document print mode using WINDOWS OS-based PCs that meet recommended system requirements. Actual results may vary. ⁷ Based on testing by Wilhelm Imaging Research (WIR) and Kodak internal testing on KODAK Photo and Ultimate Plain Papers. Under all common consumer display and storage environments.

Kodak ESP·7250

All-in-One Printer
