Samsung Colour Laser Printer

CLP-320N

Samsung Colour Laser Printer CLP-320N

It takes a truly uncommon printer to work as your home or office's common printer. The compact CLP-320N from Samsung does the job of several larger printers. Its network capabilities let your family or colleagues connect and get vivid, high-quality colour printing performance, without having to rely on a fleet of printers to meet their needs. With up to 2,400 x 600 dpi, the CLP-320N effortlessly delivers maximum colour while stylishly sporting a minimal design, with its chic black and creme grey facade. All this style and power, yet the compact CLP-320N fits easily almost anywhere.

Connect with your colleagues

Connect everyone in your office to one network. With the Ethernet interface you can increase your performance by hooking it up to the network. Improve your communication skills with the CLP-320N laser printer and keep your lines of communication open.

Ideal for small, stylish spaces and busy places

The ultra compact Samsung CLP-320N easily fits on any desktop leaving plenty of room for you to get your work done. You'll also really enjoy the convenient power switch located on the front panel for fast and easy access. How's that for accommodating design?

Your printing experience just got a lot more colourful

With colour accuracy and the power to handle the demands of premium quality 2,400 x 600 dpi with absolute ease, the CLP-320N delivers high quality colour printing whenever you need it.

One less noisy office distraction

The Samsung CLP-320N is engineered to operate quietly and producing less noise while printing than the gentle hum of a running refrigerator! A desktop printer that does its job while letting you focus on yours.
