Expression Home XP-235

Perfect for anyone after high-quality and good value printing at home, the XP-235 is part of Epson's new small-in-one range. This printer, scanner and copier uses individual inks so only the colour used needs to be replaced, saving money on ink costs. It's versatile too; Epson Connect offers a whole suite of mobile printing options.

Efficient & affordable
Utilising Epson's Claria Home Inks, this small-in-one is ideal for producing crisp, clear text and glossy, lab-quality photos. Individual ink cartridges mean only the colour used needs to be replaced to save on costs.

Mobile printing
Whether using a smartphone or tablet, the iPrint app[1] can be downloaded to a range of devices for truly wireless printing and scanning. The possibilities don't end there, with Epson Email Print[1], it is possible to print from anywhere in the world[1] by simply emailing documents and photos directly to the printer. For creative-minded people, the Creative Print[1] app can access Facebook photos, create custom greeting cards and stationery, and even turn photos into colouring book templates.

Flexible
Multiple users can easily print and scan wirelessly from around the home.

Space saving
Stylish and compact - the XP-235's small and lightweight design means it doesn't take up much valuable desk space.

KEY FEATURES

- **Small-in-one**
  Save space, save money, save time
