## Professional in-house colour, delivered with true efficiency and productivity savings

Maximise return on investment with the network ready C530dn. This high quality, high performance A4 colour printer will deliver real productivity savings in the busy office. Its compact modern design incorporates automatic double sided printing, enhanced power management and low running costs for all around savings.

Documents are output at an impressive 26ppm in colour and 30ppm in mono. A flat paper path and heavy weight paper feeding allow a wide range of general office documents and specialised media's to be printed with ease. Add digital LED technology and PCL/Postscript for striking image quality and the C530dn will deliver the level of professional printing you are looking for.

### Professional quality, true versatility

PCL/Postscript, digital LED technology and high definition toner produces professional looking documents full of vibrancy and colour. Perfect for all your general office printing the heavy weight paper support and convenient multi-purpose tray (MPT) of the C530dn lets you print on specialist media with ease. Add a compact, low profile design that incorporates automatic double sided printing as standard and the C530dn will put a wide range of high quality documents within easy arms-reach of your seat.

- ProQ2400 multi-level output quality, 1200 x 600dpi print resolution
- A6 to A4 and up to 1.2 metre banners; card stock up to 220gsm

- Microfine high definition toner for superb print quality
- Compact, low profile design lets you pick up your documents with absolute ease

### Great Savings for all to share

The network ready C530dn delivers real savings in time, paper and money that all in the office can share.

- 5,000 page toners and separate drum unit reduces user interventions and gives lower running costs
- Paper capacity can be expanded up to 880 sheets for reduced user interventions
- Automatic double sided printing reduces paper consumption and saves money
- 10/100 Ethernet built-in integration with your network, allowing sharing across many users, saving costs

### High productivity

Complex jobs and large print runs are handled with ease using the C530dn. Oki's clever ECO mode automatically adjusts printer performance to deliver small print jobs faster and reduce energy consumption, saving time and money.

- Time to first print 9 seconds in colour and 8 seconds in mono
- 26ppm colour print speed and 30ppm in mono
- 532MHz processor and 128MB memory

### Reducing Environmental impact

Built in a factory with "CarbonZero" credentials it comes as standard with automatic double sided printing which reduces paper use, and an ECO mode to help conserve energy and resources. Importantly when not in use, the 'Deep Sleep' mode reduces power consumption to negligible levels.

- ECO mode reduces energy consumption by keeping fusing temperatures low for one and two page jobs
- Deep Sleep mode saves you money by reducing energy consumption to less than 1.1W
- Colour Access Policy Manager utility for controlling and monitoring user access rights.
- Automatic double sided printing reduces unnecessary paper usage

### Outstanding reliability

Boasting an impressive 45,000 page per month duty cycle the C530dn is tough enough to handle the most demanding workloads with ease.

- Ultra-reliable digital LED print technology, pioneered by OKI and proven over 20 years
- Robust 45,000 page per month duty cycle
- Industry-leading three-year warranty as standard
